

## Spotlight on Hillsboro 2020 Vision Volunteer Partner: City of Hillsboro Planning Department – Hillsboro Landmarks Advisory Committee (HLAC)

*Each month we will spotlight a Volunteer Partner with the Hillsboro 2020 Vision.*

Local history creates landmarks unique to every community. Landmarks can include a wide variety of objects and sites: the giant sequoias in front of the county courthouse; a downtown storefront; a homesteader's barn; a family cemetery; a residential district; or a set of drive-in restaurant figurines. Discovering, identifying and preserving these landmarks celebrates the distinctive attributes that help define Hillsboro to its residents, neighbors and visitors.

The Hillsboro Landmarks Advisory Committee (HLAC) was established in the Spring of 2008 with seven members from the community who have diverse backgrounds and demonstrated interest in historic preservation. The purpose of the HLAC is to advise the Hillsboro Planning Commission and City Council on all matters relating to historic preservation within the City of Hillsboro such as development and implementation of an annual historic preservation work plan, to pursue and administer CLG grants for the benefit of the city and to review, and make recommendations to the planning commission on nominations of new properties, applications for exterior remodeling of existing resource structures and applications to demolish or relocate existing resource structures.

The HLAC meets as needed on the second Monday of each month at the Civic Center. For further information on HLAC activities or meetings, please contact Deborah Raber, Project Manager, 150 E. Main St., 503.681.6155 or [debbier@ci.hillsboro.or.us](mailto:debbier@ci.hillsboro.or.us).
