

Spotlight on Hillsboro 2020 Vision Volunteer Partner: Hillsboro Chamber of Commerce

The Hillsboro Chamber of Commerce has a mission to promote business prosperity and a healthy, diverse community by providing information, services and advocacy for its members. The Chamber strives to accomplish this mission and achieve its vision by focusing their efforts on five strategic objectives: fostering a vibrant local economy, representing business interests to government, providing networking and business exposure opportunities, promoting the community and presenting relevant business education.

The Chamber has partnered with the Hillsboro 2020 Vision plan to develop and bring an event to downtown Hillsboro in August for the last five years. This year is no exception. **Mainstreet Madness 3-on-3 Basketball Tournament** brings teams from around the Northwest to play in a fun, fast-paced and competitive event for people of all ages. Various volunteer opportunities exist to help with set-up and tear down, team registration, beverage service, volunteer tent, information, score keeping, Kidz Kourt and more. This year's tournament is August 2 and 3. Please visit www.mainstreetmadness.org for more information about participating in this year's tournament.

Mainstreet Madness will again be joined by Celebrate Hillsboro – a two-day City of Hillsboro community event, Hillsboro Farmers' Market on Saturday and the Antique Faire on Sunday.
