

## Spotlight on Hillsboro 2020 Vision Volunteer Partner: SOLV

*Each month we will be spotlighting a Volunteer Partner with the Hillsboro 2020 Vision.*

SOLV is a non-profit organization that brings together government agencies, businesses and individual volunteers in programs and projects to enhance the livability of Oregon. Governor Tom McCall and other community leaders established SOLV in 1969. They saw the need for community action to address growing problems in the ever-growing state. Today SOLV is building on its vision with a strategic plan that will guide us as we work to preserve this treasure called Oregon.

There will be three SOLVIT 2008 Projects happening on 4-19-08. Two projects include Cleanup, Invasive Plant Removal, Litter Pickup, Trail Maintenance at Noble Woods Park, plus there will also be Landscaping, Planting, Weeding and Pruning at Jackson Bottom Wetlands Preserve. A third project will be at W.L. Henry Elementary School which will involve Cleanup, Invasive Plant Removal, Landscaping, Litter Pickup, Planting, Pruning, Trail Maintenance and Weeding. In May there are three Down by the Riverside 2008 Activities in Hillsboro. Please check the [www.solv.org](http://www.solv.org) web site for details on all of these projects plus all future SOLV projects.
